"A big Thank YOU! for your great performance at Government House - a major factor in making the evening very successful!"
Katerina Skoumbas, Historic Houses Trust

"The band was a perfect choice for our exhibition launch and had our audience toe tapping from the first song. They were very professional and easy to work with, and the best thing was that they brought in their PA. I'd book them again without reservation."
Janine Huan, Acting Marketing Manager, Historic Houses Trust

"Everyone enjoyed the music. Great selection. Very accommodating. Very friendly. Very prompt."
Toniann McPherson, Community Services Administration Officer, Hunter's Hill Council

"The acoustic band was perfect for the outdoor park setting and created a beautiful carnival atmosphere linking music from the past with a multicultural community in the present. I look forward to working with you and the musicians in your band, in the future as we continue to organise community events."
Ruth Paillas, Community Development Worker, Carnival of Cultures, Ashfield Council
