

## **Private Party Testimonials for Bakelite Jazz**

**"You guys are PERFECT"** (Did an extra set)

*Jan, 50th Birthday Party Organiser, Bexley*

**"Extremely favourable comments from all the guests** who attended my 50th birthday. Greg and his band added that special flavour to a lunch time event and certainly contributed to the overall atmosphere of the venue. Some guests commented that it was the best 50th party they had been to. I was surprised that my 22 year old son was impressed – certainly a positive for Greg and his band from someone who is primarily into grunge music"

*Bernadette, 50th Birthday Party Organiser, Albion Park*

**"Greg Poppleton & his Bakelite Dance Band – WOW!** That's the only thing I can say...I am proud to say that you guys played at my 30th! Hope you guys had fun and I'm sure our paths will cross again in the future"

*Maria Lado, Hollywood Glamour 30th Birthday Organiser, Windsor*

Now, that IS high praise!! Many people on the night said how lovely the music was, and how good it was not drowning out all conversation. I want to thank you Greg, for playing the songs I requested of you from yesteryear. They really transported me back to another era!"
